## Book Two – DESTINY

By S C Dinsdale

*“Whatever will be will be, yet the future is ours”*

### **Chapter 16: Between Lives**

Reading regression subjects' accounts of the world of Spirit, is interesting and at times confronting. The concept that as souls, we exercise free will and may choose to enter lives of trial, trauma and hardship is challenging. Dr Newton's clients have consistently described undergoing a life preview before choosing to embark on their current incarnation. Typically, they recount this as a multisensory event, where souls are able to view and experience a series of possible futures. This finding is entirely consistent with the age old concept of destiny: the co-creation of soul purpose and human experience.

Having already discovered that astrology can access a person's life plan, now I begin to understand why. Life plans are created before souls join bodies; perhaps even before conception...
